Baccalaureate Is Set 8:15 P M Sunday

"I Must Live With Myself," is the subject for the Baccalaureate Sermon to be delivered to the Pahokee High School graduating class at the high school auditorium Sunday night by Rev. Wayne Owens, pastor of the Pahokee Methodist church. The hour for the exercises to start has been set at 8:15 p. m. by Principal Clyde Canipe.

The Processional will be played by Miss Ann Rita Burns and the Recessional will be played by Mrs. M. P. Stanley. The High School Glee Club will sing under the direction of Miss Morgan.

The invocation and benediction for the program will be given by Rev. Charles D. Stewart, pastor of the Canal Point Baptist Church.

Funeral Services For K. T. Rockwell

Funeral services for Kenyon Tripp Rockwell, 48, of Pahokee were held in the Pahokee First Baptist Church Tuesday at 3 p. m., with the Pahokee BPOE Lodge 1638 in charge and the Rev. Charles D. Stewart, pastor of the Canal Point Baptist Church, serving as chaplain.

Mr. Rockwell, an insurance man, died suddenly from a heart attack in Pahokee Saturday evening.

A native of Hartford, Conn., he had been a resident of Pahokee since 1945, coming here from Texas. He was a member of Pahokee BPOE Lodge 1638 and the Pahokee American Legion Post 90.

Survivors include his wife, Letha Hendry Rockwell; two daughters, Lory Ann and Linda Kay Rockwell; father, Percy E. Rockwell, all of Pahokee; and one brother Morgan G. Rockwell of Lubbock, Texas.

Palbearers were Brock Baxter, Thadd Whidden, J. T. Boynton, Billy Rawls, Wade Thomas and Harold Wilkinson.

Burial was at the Port Mayaca Cemetery.

Building Permits Jump In Pahokee

Permits have been issued for new buildings in Pahokee with a total valuation of \$109,500, according to Frank Thompson, building inspector.

The new construction includes a store building with rooms for rent in the Negro area (\$29,000) for the Pahokee Investment Co., an office building on Bacom Point Road (22,500) for the Everglades Insurance Company, a service station at the corner of East Main and Barfield Highway (\$20,000) for Mr. and Mrs. Paul Sasser, a store building on Lake Avenue (\$20,000) for George L. Royal and a residence on Begonia Drive (\$18,000) for Dr. and Mrs. R. R. Long.

43 Seniors

will be awarded certificates of graduation at the annual commencement exercises scheduled at the Pahokee high school auditorium on Thursday night at 8:15 p. m., according to Principal Clyde Canipe who released the names of the graduates this week and described the closing school year as a highly successful one. Major L. M. Mullis, a graduate of Pahokee High School and also a graduate of the University of Denver will deliver the Commencement Address.

Annual Banquet Is Held For PHS Band

The Annual Band Banquet for the Pahokee High School Band was held Wednesday night of this week at the Community Hall in Canal Point was Bandmaster Robert O. Lampi in charge of the program.

Otto J. Kraushaar, past president of the Florida Bandmasters Association, was the guest speaker. A sumptuous roast turkey and dressing dinner was served previous to the speech by Mr. Kraushaar.

Mr. Lampi also made awards of Superior medals to participants in the District and State Contests. Awards were made for marching and concert playing. Solo winners in both contests also received special awards, the director said.

Mrs. Wade Ammons is president of the Band Parents Association and she with her various committees were in charge of the arrangements for the banquet.

Cowart Laundry Ruined By Blaze

Fire starting about 8 o'clock Thursday morning destroyed the Cowart Laundry and Dry Cleaning plant in Pahokee. Reppard Cowart, owner and operator of the plant, could not estimate the exact amount of damage following the fire but did say that only a very small amount of insurance was in force at the time of the fire.

The blaze started under the floor when lint from the clothing became ignited and rapidly spread to the cleaning fluids causing a sudden outburst of flames. The Pahokee fire department was soon on the scene but fire between the ceiling and roof kept the department busy for an additional hour.

Mr. Cowart said that his plant could not be replaced for \$40,000.00 and that he thought he had only \$5,000 in insurance. He also estimated that there was an additional \$15,000.00 in clothes and laundry in the plant at the time of the fire.

It was in 1939 that Mr. Cowart lost his first laundry and cleaning plant by fire when it was located on Bacon Point road just outside the city limits of Pahokee.

Bacom Point Gets New Building

Construction is underway on Bacon Point Road in Pahokee on a new building by Mrs. Ora Powell which, when completed, will be a modern structure and add materially to the growing business section of Pahokee. Wiley Tillis is the contractor in charge of construction.

The building, 60x75, will contain three modern offices and store rooms. The largest of the three will be occupied by Life Insurance Company of Georgia. Another of the offices will be occupied by Mrs. Powell's Everglades Insurance Agency and the third room will be occupied by Sue's Dress Shop.

Canal Point Junior High Will Have 20 Graduates

Twenty eighth-graders will receive their diplomas at 9:30 a. m. next Friday, June 7, according to Carl Crawford, principal of Canal Point School. Closing exercises are scheduled for the school year ending and Principal Crawford ex-

tends a cordial invitation to all parents and friends of the school to be in attendance next Friday for the exercises. As usual, the year coming to an end, has been another successful one in the history of the local school.

Elliott, Dulany Named By Co-Ops

Jess Elliott, of The Everglades Growers Cooperative, and John Dulany of the Rabin Cooperative, were named to official positions at the annual election of officers of the Florida Council of Farmer Cooperatives when the annual meeting was held recently in Clearwater.

Mr. Elliott was re-elected first vice president and Mr. Dulany was elected as a member of the Board of Directors. Frank Dooley, I. W. Weeks, I. L. Price and Walter Schlechter are also members of the board of directors.

The Lighthouse Club at Andros Town, Bahamas, is one of the finest luxury hotels in the world. Located near some of the finest bone fishing flats and rock fish reefs, this famed resort may be reached in a matter of minutes from Miami via B. O. A. C.

Dams In Toe Ditch Okehed By Council

The Pahokee City Council in regular session Monday night with all members present reorganized for the coming year, electing John C. Hutton, president and police commissioner; Loren Meredith, president pro tem and waterworks commissioner; Hugo Boe, administration, parks and fire commissioner; Edgar Wilder, streets commissioner, and George H. Tucker, Jr., sanitation commissioner. Ralph O. Johnson was reappointed city attorney and all city employees were retained on same terms as the past.

City Clerk Patsy Batchelor was instructed to write to the Palm Beach County Board of Public Instruction submitting for the city an offer of \$30 per front foot for school-owned land on Bacon Point Road now being used as a public

Vacancies Now In Pahokee H. S. Staff

Herman Austin, who has served as instructor of commercial studies at Pahokee High School the past year, has accepted the position of principal of the Pahokee Elementary School, filling the vacancy left by Brooks Henderson when he replaced Clyde A. Canipe as principal of Pahokee Schools.

With Marvin Thompson joining the Palmetto School faculty and Bobby Shaw transferring to the Seacrest School faculty there are now vacancies to be filled at Pahokee High School in Senior English and Spanish, taught by Thompson, and higher mathematics and Latin, taught by Shaw, as well as the position of commercial studies teacher vacated by Austin.

There will also be positions of an agriculture teacher and a director of girls' physical education at the high school and a fourth grade teacher at the elementary school to be filled before the opening of school in the fall, according to school officials.

Class Night For PHSeniors Tonight

The Pahokee High School Senior Class will present its annual Class Night program in the high school auditorium this Friday, May 31, at 7:30 p. m. The special dance numbers will be under the direction of Miss Betty Mitchell. The annual awards to outstanding Seniors will be presented by Principal Clyde A. Canipe.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

A group of property owners from Ocean Ridge and Briny Breezes Monday registered objection to the use of a 100-foot strip of beach front owned by the Town of Delray Beach, as a public recreation area.

The beach, according to the Florida Shores Association, is classed under the county's new zoning act, as limited commercial zoning and should not be used as a public recreation area.

Their letter, addressed to the county commission, pointed out that the municipality has introduced legislative action to have

the beach land taken into the city limits of Ocean Ridge.

Meantime, the commission received a copy of a resolution adopted by the Delray Beach Council, pointing out that the municipality has owned the beachfront since 1954 and now seeks to use the land as a public beach and recreational site for residents of Delray Beach. The resolution also pointed out that Delray Beach objects to the proposed legislative act which would put the beach front within the limits of Ocean Ridge.

The county board referred the letter to County Attorney Henry

Lillenthal for study and recommendation.

In another municipal controversy, the commission Monday declined to take action on a request from the Town of Riviera Beach seeking county aid in settling a bulkhead line dispute. Commission Chairman Kenneth Foster pointed out that it is not the policy of the county board to interfere in any way in settling problems within a municipality.

Cinematic Chatter

By Malcolm Millar

Hello everybody! Let's talk about a little lady you don't hear too much about now but I believe you will hear a lot about her in the very near future. This little lady is Sara Shane, and the little lady was born in St. Louis, Missouri, 23 years ago. From the time she saw her first movie at the tender age of five, she was determined to become an actress. The first step toward the goal was to become a Powers Model in New York City. After four months of modeling, Sara made the crosscountry trek to Hollywood to try her luck in the movies—Her luck was excellent, but not the way she expected—Her friend, Huntington Hartford, arranged a blind date with a handsome socialite named Bill Hollingsworth—a year later they were married. During their courtship, Sara was under contract to M.G.M. where she did two films, "Easter Parade" and "Neptune's Daughter." After the wedding they traveled extensively, and for a period Sara forgot her career. It was after Jamie, their son, was born that Sara decided to return to films. Her good friend Hedy Lamarr, was one of the people who encouraged her to try her luck again in pictures. She signed a term contract with Universal-International. While there, she did a part in "Magnificent Obsession," and participated in the wide train-

ing program offered contract players. She did several plays, made TV appearances, and took lessons in ballet, tap singing and horseback riding. Sara loves sports, especially tennis and water skiing. Now the most of her time is devoted to her career, she is unable to play tennis during the day, so with her husband, plays at night several times a week. Sara's skiing is her pride and joy! She skis on only one ski, can go backward, make 360 degree turns, and loves to sail over the jumps. See you at the movies—Mal.

Junior High Will Hear Paul Rardin

County Commissioner Paul Rardin will address the Junior High graduating class of Canal Point School next Friday, June 7. The closing exercises of the school have been set for 9:30 a. m. by Principal Carl Crawford.

LEGION TO INSTALL

Installation of officers will be held Saturday night, June 1, by the American Legion Post in Pahokee. W. C. Allen of South Bay and J. B. Jones of Belle Glade will be in charge of installation. A sumptuous feed will precede the installation ceremony. The Legion Club room is open nightly for members and out of town guests.

Kindergarten Has Graduation

The tenth annual graduation exercises for Mrs. Arch Blakey's kindergarten class were held in the high school auditorium Tuesday night.

Members of the class presented a program on "Mother Nature," with Miss Patsy Keene serving as pianist.

Certificates of graduation were presented to Marsha Pennington, Merry Ann Friend, Jimmy Wilson, Judy Todd, George Tucker, III, Leigh Cross, Danny Denton, Sharon Hatton, Ruth Myers, Lynda Keene, Larry Watts, Donna Jean Merrell, Jan Unwin, Steve Lance, Bill Howard, Jackie Vandegrift, Frankie Tillis, Bill Moss, Howard Sims, Jan Kemp, Linda Nix, Jimmy Stidham and Bruce Harrell.

FAREWELL PARTY

Members of the Northwestern Palm Beach County Public Hospital Board and their wives entertained at the home of Board Chairman A. R. Harrington Friday night with a farewell party honoring Mr. and Mrs. R. A. Kledzik. The Kledziks are leaving Pahokee in June as soon as the new administrator of the Everglades Memorial Hospital arrives to fill the vacancy left by the resignation of Mr. Kledzik.

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do *more* than save through Payroll Savings. You *invest* your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *That means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week: In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

park. The Pahokee Garden Club in a letter read at the meeting thanked the Council for having the benches removed from the sidewalk in front of the Army Surplus Store on East Main St.

The Council approved the plan of the East Beach Water Control District of building two dams with 16-inch culverts in the Lake Okechobee toe ditch to improve the control of flood waters in the district.

A check for \$124.10 was received by the city from the Pahokee Marina Corp. as rental fee on Pahokee Harbor for April.

City Attorney Johnson was asked to advise the Council at the next meeting on the necessary legal procedure for putting into effect a city-wide condemnation program against buildings unsafe or otherwise unfit for human habitation. Johnson was also instructed to draw up an ordinance regulating the hours the city clerk's office is to be open during the winter and summer seasons and specifying the holidays the clerk's office will be closed.

VISITS RELATIVES

Mrs. Duncan Padgett has gone to Chiefland, Fla., for a visit of several days with her son and daughter-in-law, the Rev. and Mrs. Donald Padgett, and family. Enroute she was an overnight guest of her son-in-law and daughter, Mr. and Mrs. Albert Garcia, Jr., and family at Tampa.

Quail, turkey and deer live principally on lands used for livestock raising in areas of the Central and Southern Florida Flood Control District.

Atomic Bomb Will Level 4 Cities In South Florida

Present day atomic bombs dropped on four key cities in South Florida would not only wipe out the entire population but would render the land useless for 15 years, the county commission heard Monday from Col. Ellis Altman, county civil defense director.

Altman met with the commission to make a report on CD activities in the county and to review changes that have been brought about since this area was designated a prime target area.

To emphasize the need for and adequate defense program, Altman described the damage which would be done if the H-bomb were dropped on Tampa, Miami, Orlando and West Palm Beach.

The CD director said he is now drafting a survival plan for the area—a task that is expected to be completed in about three months. This plan, Altman said, would be a blueprint for putting to work the various phases of the CD program such as evacuation crews, transportation groups, public health and medical groups.

He said plans have been made for installation of a county-wide air raid warning system which is expected to cost about \$100,000—half of the expense being paid by the federal government.

Summer carillon recitals are being given at the Singing Tower in Lake Wales for the first time in its 29-year-old history. A new carillon is also being installed to supplement the bells which heretofore have provided all the music.

'Miss World' On Visit To Florida

CLEARWATER — The most beautiful girl in the world came to Clearwater last week in a helicopter to help with the opening ceremonies of a publicity firm.

'Miss May' Louise, Khoury of Goteborg, Sweden, 'Miss World', dropped from the skies in a helicopter owned by Helicopters International, a firm operating several of the whirly birds which serves Pinellas County. She was loaned to Wesco Publicity Services by Dick Pope of Cypress Gardens to help observe Wesco's official opening of their office in Clearwater. Miss World, to open the publicity offices, broke a champagne bottle filled with Florida orange juice on the front door!

Owner of Wesco and official host to the Swedish beauty is C. G. "Chick" Morris, former publicity man for the Florida State Fair and owner of Wesco Publicity Services. Also on hand to greet Miss World were the president of the Clearwater Chamber of Commerce and players from Clearwater's world champion Bombers soft ball team and other city dignitaries.

Sheriff Study Delinquency

SARASOTA—Delegates to the Florida Sheriff's Association convention in Sarasota next month will pool ideas on how to cut the delinquency rate by establishing local youth organizations.

The association has launched a program to combat juvenile delinquency with financial aid coming from honorary members of the association through \$10 donations. Present plans call for each county to send the association a list of potential donors. The donor gets a membership courtesy card, car decal and the annual association publication when he sends the money in. The courtesy card will be for identification only and is worded in such a way that it does not imply special protection from police officers.

Basis of the law is to show young people that law enforcement is part of government and to bring teenagers and their parents closer to the work of peace officers and their function in the community.

The Lesson-Sermon entitled "Ancient and Modern Necromancy alias Mesmerism and Hypnotism, Denounced" will include the following passages from Ephesians (5:6,11): "Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience. . . . And have no fellowship with the unfruitful works of darkness, but rather reprove them." Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (571:15-18): "At all times and under all circumstances, overcome evil with good. Know thyself, and God will supply the wisdom and the occasion for a victory over evil."

The Golden Text is from Proverbs (21:30): "There is no wisdom nor understanding nor counsel against the Lord."

Engineers Set Flow From Lake

Continued rainfall, above normal for this time of year over Lake Okeechobee and its tributary area, now requires further increase in regulatory discharge from the lake by way of St. Lucie Canal. Army Engineers announced today that the release of 1,000 cubic feet a second which began on May 17 is being gradually increased over the next few days to about four times that amount or to a little more than half capacity of the canal at the present lake level.

Colonel E. E. Kirkpatrick, District Engineer in Jacksonville, stated that Caloosahatchee River, which has been discharging at 3,500 cubic feet a second since May 14, will continue at that rate, making a total discharge from the lake by both outlets of about 7,500 c. f. s. The big lake now stands at 13.8 feet above sea level.

Mrs. Donald Tarr was able to return home this week from the Everglades Memorial Hospital.

Garden Clubs Hold Installation

The Community Building at Canal Point was the scene Tuesday of a joint installation luncheon meeting of the Pahokee and Canal Point Garden Clubs. Through realistic use of cactus bushes, hibiscus blossoms, tulip lilies and cypress twigs a beautifully simulated landscaped patio within the rectangle of luncheon tables lent an outdoor garden effect to the luncheon setting.

Mrs. Paul Stewart, past president of the West Palm Beach Garden Club, served as installing officer.

Pahokee Garden Club officers inducted were Mrs. O. R. Bleech, president; Mrs. Norman A. Kennedy, vice president; Mrs. R. B. Simonson, treasurer; Mrs. H. L. Speer, recording secretary, and Mrs. Lloyd Hundley, corresponding secretary. Mrs. Bleech named as chairman of standing committees Mrs. L. L. Shirley, birds and conservation; Mrs. C. L. Shirley, garden center; Mrs. F. M. Shaughnessy, civic; Mrs. W. A. Keen, finance; Mrs. J. T. Platt, flower arrangements; Mrs. R. W. Sanders, garden therapy; Mrs. O. D. Camp, interior, historian; Mrs. C. A. Kolstad, hospitality; Mrs. J. M. Elliott, junior gardens; Mrs. C. M. Todd, parliamentarian; Mrs. N. A. Kennedy, program and lectures; Mrs. Frank Friend, roadside development, publicity, and Mrs. H. M. McIntosh and Mrs. Don Hillier, special.

Mrs. O. H. Chastain was installed president of the Canal Point Garden Club; Mrs. M. C. Carter, vice president; Mrs. G. H. Tucker, treasurer, and Mrs. E. W. Brandes, recording secretary. Mrs. Chastain, who is beginning her second year as president of the Canal Point Club, named as committee chairmen Mrs. M. C. Carter, program; Mrs. W. S. Evans, civic and roadside development; Mrs. Ralph Maxson, hospitality; Mrs. E. W. Brandes, finance; Mrs. G. H. Tucker, membership; Mrs. O. H. Sheppard, garden center; Mrs. Paul Rardin, conservation; Mrs. C. G. Coburn, horticulture, and Mrs. J. H. Bordeaux, publicity.

Garden corsages designed by Mrs. Frank Friend were pinned on the new officers by Mrs. John T. Pickett. Mrs. Stewart was presented with an orchid corsage by the Pahokee Club and with a gift by the Canal Point Club.

Prior to the installation a review of the many achievements of the two clubs during the past year was given by Mrs. Lloyd Hundley, retiring president of the Pahokee Club, and by Mrs. Chastain for the Canal Point Club. Outstanding among the activities of the Pahokee Club were the planting of ornamental shrubbery around the new Pahokee Civic Building and

the popular Holiday House project sponsored during the Christmas vacation. The Canal Point Club's main project during the past year, the beautification of the roadside along US 441-98 north from the West Palm Beach Canal, will continue to be its most important project through the coming year. Both clubs assisted in the arrangements for the luncheon at the National Convention in Miami earlier in the spring.

Mrs. Ivan Van Horn of Belle Glade, a guest, announced a Garden Club short course will be held at Tuljahassie June 18-20. Mrs. J. T. Pickett, on behalf of the Pahokee Club, presented Mrs. F. M. Shaughnessy with a potted plant in appreciation of the use of her apartment as a club workshop.

On the program of entertainment Miss Linda Sellers sang two solos, accompanied by Miss Ann Rita Burns at the piano.

The committee in charge of decorations included Mrs. J. T. Platt, Mrs. Anderson Chastain and Mrs.

J. S. Chastain. On the committee for the luncheon arrangements were Mrs. C. A. Kolstad, Mrs. Annette McCurdy, Mrs. L. L. Shirley, Mrs. W. A. Keen, Mrs. Ralph Maxson, Mrs. O. H. Sheppard and Mrs. C. H. Tucker.

Methodist Men In Dinner Meet

Installed as new officers of the Pahokee Methodist Men's Club at the regular dinner meeting in the church were Robert B. Simonson, president; Lloyd Hundley, vice president; and Robert J. Schroder, secretary-treasurer. Ralph O. Johnson, retiring president, acted as installing officer.

The club voted to complete the barbecue pit on the lawn at the rear of the church grounds as a project for the coming year. W. O. Moss was in charge of dinner arrangements.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$57.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check *before* you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself *and* your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

C P Lions Complete Recreation Area

The Canal Point Lions Club is installing 10 new picnic table and bench combinations in the recreational area on the Lake Okeechobee waterfront at Canal Point, according to a report given at the regular dinner meeting of the club this week. The tables will be located in the pine grove a short distance north of the concrete ramp for the launching of small boats which the club built several months ago.

Final plans were made for the benefit fish fry which the club will hold at the Community Building Friday, June 7, from 6 to 9 p. m. to raise funds for completing payments on the boat ramp.

On the program the Rev. Charles D. Stewart, pastor of the Canal Point Lions Club, spoke on "Memorial Day." He was introduced by President O. H. Sheppard in the absence of Osceola Upthegrove, program chairman.
